March 2023

Word of Thanks:

Holly Jensen put together our phenomenal Cupid's Clay Cafe event last month, and it was a complete success! We could never have the fun and free events without the incredible vision of people like Holly. She is our lead Art Docent and is also the reason behind many art projects completed by our Tigers this year. We are so thankful to her for her contributions to Carnation Elementary!

Fundraising Update:

Neon spirit wear is here! Order in youth or adult sizes in neon green, orange or pink! Turn in your forms or order online by Wednesday, March 8th! Wear your neon, white or other spirit wear for our biggest fundraiser coming up on Friday, April 7th...TIGER WALK! This year it's going to GLOW. More info to come soon! Funds raised directly help our school...hint hint our brand new basketball hoops, yeah! Get yours at the QR code right here!

Talent Showcase Update:

Our Talent Showcase is back in person and better than ever! We've already seen some incredible submissions from our Tigers, they are very ready to show us what they've got. In order to make this event possible we still need many volunteers. Any volunteers can choose to be shadowed by a student (theirs or an assigned Tiger) and student participation in the running of the event will not interfere with any submissions - they can do it all! Please consider giving your time! Sign up genius at QR code right here!

Turn your IGA receipts in to PTSA at the front office! Their donation program gives us a small percentage of each purchase!

CEPTSA cannot do what we do without MEMBERS. Join CEPTSA and help us continue to do awesome things for our students, school and community. It is not a clique or the drama club, it is a group of committed volunteers using our voice and talents to make a difference. Email ceptsa@outlook.com for more info or join at carnationptsa.org.

We have many para-educators who help with a multitude of things at the school. They can be found everywhere from working directly with students in their classrooms, assisting with school work, to supervising them at recess or lunch. Each of them are valuable team members of the school staff and we appreciate their dedication to the kids!

School/District News:

Have you ever wondered what your CEPTSA does with the funds raised?

We are in the midst of planning playground updates, which many of you know. But outside of this, we fund grants for many teachers to help pay for field trips and classroom enrichment. We also use money raised to put on fun, free, family events such as Bingo Night and Cupid's Clay Cafe! We love opportunities to treat our CE students to popcorn Fridays, and their families to outstanding events. We couldn't do it without funding from all of our donors, dedicated PTSA board members, and importantly our parent volunteers. We hope to serve with each of you at some point and would love to get your plugged into something that interests you!

Here are some HOOptastic photos of the most recent playground addition courtesy of your CEPTSA! We allocated \$5000 to this project and are so happy to see them installed and being enjoyed by students and community members!
