

Spring Break

Reading Challenge

CARNATION COUNT FOR 100,000 MINUTES!!!

We need your help, Tigers! Over winter break, Carnation students read 55,000 minutes. We want to break 100,000 minutes total over Spring Break! We can do it! 45,000 more minutes!

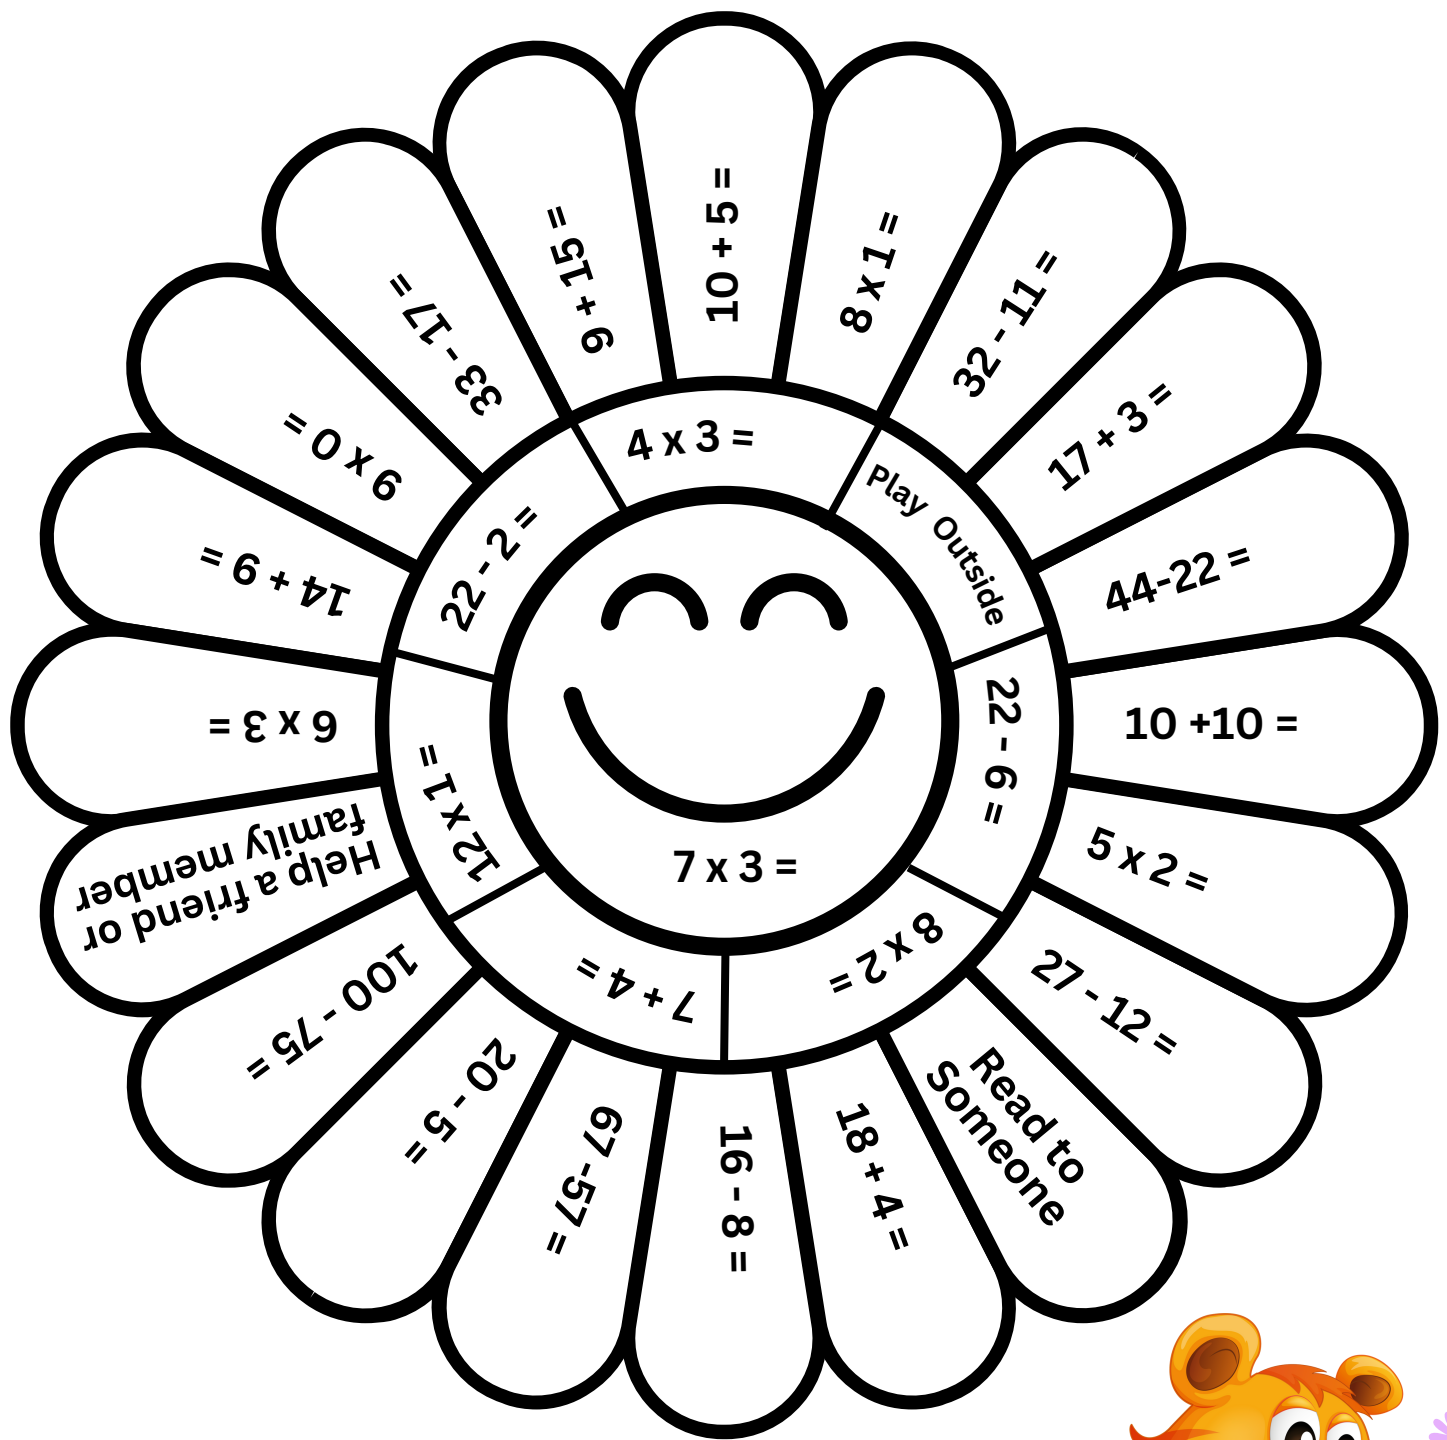

Solve the math problems (feel free to seek help) to discover how many minutes each petal is worth. Start reading and once you pass that minute, color in the petal. Write your name, teacher, add an adult signature and turn in your challenge by April 21st to the school. You are not required to fill all the petals, but be sure to add up total minutes read at the bottom. It's time to start counting our way to 100,000 minutes! Enjoy the bonus petals.
