

Message from the Presidents:

Please join us at our last General Membership Meeting of the year (May 22nd on Zoom). We'll be presenting our budget for next year as well as spending plans through the rest of this school year. Members' voices matter and we want to hear from you! Right now we are moving forward enthusiastically in pursuit of additional playground updates, including the outside space our students in the developmental preschool and self-contained special education classes utilize. Outdoor updates are costly and we welcome membership input and participation to continue to improve the school experience for all. Thank you for your continued trust and support! Kyla and Bailey
