A book recommended by a parent or teacher		
Any <i>Science Comics</i>		
A non-fiction book		

*Indicates a book that is part of a series. Any book in this series counts.

Be a Rad Reader and join the Radiant Readers Challenge!

1. READ 15 BOOKS.

Read independently or aloud with friends & family. Listening to audiobooks or having someone read to you (including teacher read-alouds), also counts! Track reading progress with a parent's signature or teacher's signature on your booklist. If you've already read some of these titles in the past, pick 15 new titles to discover!

2. CELEBRATE!

The 2nd week of May, each class will enjoy a special celebration of reading during their library time! Students who read 15 books and return their signed booklist by **April 17th**, will be invited to our after-school Rad Reader's Celebration on **May 14th**!
