A book recommended by a teacher or parent		
Any additional book from a listed series		
Any <i>Who Was...?</i> * book		

*Indicates a book that is part of a series. Any book in this series counts

For more information

Be a Rad Reader and join the Radiant Readers Challenge!

1. READ 15 BOOKS.

Read independently or aloud with friends & family. Listening to audiobooks (download the Libby app through the King County Library System for free!) or having someone read to you (including teacher read-alouds), also counts! Track reading progress with a parent's signature or teacher's signature on your booklist. **If you've already read some of these titles in the past, pick 15 new titles to discover!**

2. CELEBRATE!

The 2nd week of May, each class will enjoy a special celebration of reading during their library time! Students who read 15 books and return their signed booklist by **April 16th**, will be invited to our after-school Rad Reader's Celebration on **May 13!**
